About VARD

Vard Holdings Limited (“VARD”), together with its subsidiaries (the “Group”), is one of the major global designers and shipbuilders of specialized vessels. Headquartered in Norway and with 9,000 employees, VARD operates nine strategically located shipbuilding facilities, including five in Norway, two in Romania, one in Brazil and one in Vietnam. Through its specialized subsidiaries, VARD develops power and automation systems, deck handling equipment, and vessel accommodation solutions, and provides design and engineering services to the global maritime industry.

VARD’s long shipbuilding traditions, cutting-edge innovation and technology coupled with its global operations and track record in constructing complex and highly customized vessels have earned it recognition from industry players and enabled it to build strong relationships with its customers.

VARD was listed on the Main Board of the Singapore Exchange on 12 November 2010. Majority shareholder Fincantieri Oil & Gas S.p.A., a wholly owned subsidiary of FINCANTIERI S.p.A., owns 78.03% in the Group. Headquartered in Trieste, Italy, FINCANTIERI is one of the world’s largest shipbuilding groups and has, over its 200 years of maritime history, built more than 7,000 vessels.
